BILL APPROVAL: Accounts payable for November and December 2020 were reviewed, and expenses of note discussed.

The Capital One credit card statement for November and December 2020 were also reviewed.

A motion was made by Director Heim to approve the bills. Director Wadman seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

Water and Sewer Rates – will begin drafting language for a public meeting.

Land Purchase – survey has been completed and purchase is moving forward.

Projects Update

Bear Meadows – none

Lakeside Club – none

Cooper Farms – none

Lakeside Estates Phase 3 – currently for sale.

Blacktail Estates – calls are beginning to come in from interested lot purchasers.

NEW BUSINESS

GIS Map – the new GIS Map has been updated to include all recorded service line connections.

Power Outage – the windstorm on Wednesday, January 13, 2021, resulted in lost power to Lift Stations 8, 9, 10, 12, and 13. Power was also lost to the Tech Tank. SCADA batteries were used to keep the tank operating until power was restored. Using the backup generator, Operators worked diligently to ensure continued water/sewer service to our customers.

Ordinance 20-7 – a motion was made by Director Cicon to annex 283 Boon Road, 240 Clothier Lane, and 5815 Highway 93 S into the District. Director Wadman seconded, and the motion carried.

Glacier Lake Lodge – new owner is working with APEC Engineering to expand their infrastructure and add additional structures.

New Hookups - there were (4) new water hookups and seven (7) sewer hookups inside the District boundaries and two (2) new sewer hookups outside the District boundaries.

MISCELLANEOUS

None

The meeting adjourned at 3:30 pm.

Respectfully submitted,
Beth Dotson, Secretary

PRESENT: Directors Marc Liechti, Jim Heim, Howard Cicon, Roxanne Wadman, and Todd Fleming, and employees Rodney Olson, General Manager, and Beth Dotson, Secretary

ABSENT: None

Director Liechti called the meeting to order at 2:00 p.m.

AGENDA: A motion was made by Director Cicon to accept the agenda as presented. Director Heim seconded, and motion carried.

VISITORS: None

APPROVAL OF MINUTES: The Minutes of the January 19, 2020 Board Meeting were reviewed. A motion was made by Director Heim to accept the minutes as presented. Director Cicon seconded, and motion carried.

FINANCIAL REPORT: The financial reports were presented by the General Manager. A motion was made by Director Wadman to approve the financial report. Director Fleming seconded, and motion carried.

BILL APPROVAL: Accounts payable for January 2021 was reviewed, and expenses of note discussed.

The Capital One credit card statement for January 2021 was also reviewed.

A motion was made by Director Cicon to approve the bills. Director Wadman seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

Water Rates – Bond Council is drafting language for the public meeting.

Treatment Site PER – DEQ had questions that our engineering firm (Jakola) is answering. Will try to schedule a Zoom meeting next week to finalize the numbers.

Land Purchase – the landowners have refinanced their mortgage with a new company causing a delay in the purchase.

Projects Update

Bear Meadows – none

Lakeside Club – has a potential buyer for the remaining lots.

Cooper Farms – none

Lakeside Estates Phase 3 – currently for sale.

Blacktail Estates – none

NEW BUSINESS

Hall Well – After 23 years the pump has failed. A cost estimate to replace the pump is being prepared. Also need to replace the panel. Will look at erecting a small pump house so that controls are inside.

LS 12 – Phase III of Blacktail Estates, Crystal View Estates (including cabins), and YWAM all flow into this lift station, thus maximizing capacity. Need to look at increasing pump size. The developers of Blacktail Estates and Cabins will need to participate in the upgrade. A meeting is scheduled with the developer of Blacktail Estates next week to discuss Phase III.

New Hookups - there was one (1) new water hookup and two (2) sewer hookups inside the District boundaries.

MISCELLANEOUS

None

The meeting adjourned at 3:45 pm.

Respectfully submitted,
Beth Dotson, Secretary

(NEXT MEETING DATE IS TUESDAY, MARCH 16, 2021)

MINUTES

LCWSD BOARD OF DIRECTORS MEETING MARCH 16, 2021

PRESENT: Directors Marc Liechti, Jim Heim, Howard Cicon, Roxanne Wadman, and Todd Fleming, and employees Rodney Olson, General Manager, and Beth Dotson, Secretary

ABSENT: None

Director Liechti called the meeting to order at 2:00 p.m.

AGENDA: A motion was made by Director Heim to accept the agenda as presented. Director Cicon seconded, and motion carried.

VISITORS: Judel Niemeyer – she lives near LS2 and wants to hookup to sewer which will involve crossing Highway 93. The existing structures on her property will be torn down and 3 new structures erected. A 2-inch mainline under the highway was suggested that would allow for future hookups. The application to the State to bore under the highway must be in the District's name. There is a possibility of a "developer agreement" to reimburse Niemeyer as others hook up to the sewer system. APEC Engineering will design the connection and evaluate potential hookups so size of bore can be determined. The Board is in favor of this sewer line extension and will take steps to get costs and complete the application to the State. A "will-serve" letter will be generated.

APPROVAL OF MINUTES: The Minutes of the February 16, 2020 Board Meeting were reviewed. A motion was made by Director Fleming to accept the minutes as presented. Director Wadman seconded, and motion carried.

FINANCIAL REPORT: The financial reports were presented by the General Manager. A motion was made by Director Cicon to approve the financial report. Director Wadman seconded, and motion carried.

BILL APPROVAL: Accounts payable for February 2021 was reviewed, and expenses of note discussed.

The Capital One credit card statement for February 2021 was also reviewed.

A motion was made by Director Heim to approve the bills. Director Cicon seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

Hall Well – The new pump has been installed and is pumping. Received one estimate for approximately \$33,000 to erect a building over the pump to enclose the controls. With the many projects the District has going and the current high cost of materials and labor it was decided to postpone this project.

Water Rates – the draft resolution outlining the phased-in rate increase prepared by Dorsey Whitney was reviewed. An informal public meeting will be scheduled for April 20, 2021 at 6:00 pm in the District's meeting room. The goal is to inform and welcome comments from the public regarding the District's intent to raise water rates.

Land Purchase – purchase is still on hold awaiting completion of the landowners refinancing.

Projects Update

Bear Meadows – none

Lakeside Club – none

Cooper Farms – none

Lakeside Estates Phase 3 – currently for sale.

Blacktail Estates – none

NEW BUSINESS

HB 255 – the District's attorney reviewed the bill. This bill needs to be monitored, but the feeling is that it will stall out.

MISCELLANEOUS

None

The meeting adjourned at 3:20 pm.

Respectfully submitted,

FINANCIAL REPORT: The financial reports were presented by the General Manager. A motion was made by Director Heim to approve the financial report. Director Cicon seconded, and motion carried.

BILL APPROVAL: Accounts payable for March 2021 was reviewed, and expenses of note discussed.

The Capital One credit card statement for March 2021 was also reviewed.

A motion was made by Director Cicon to approve the bills. Director Heim seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

LS12 PER – Peccia Engineering has been contracted to prepare a Preliminary Engineering Report on LS12. A wet well drawn down is scheduled for April 22. They will be looking at the wet well capacity, pump sizing and the 3-inch pressure gravity line to determine what needs to be done to increase capacity. Cost of the PER is approximately \$14,000.

Water Rates – A public hearing is being scheduled for June 15, 2021 at 6:00 pm via Zoom. This meeting will serve to inform our customers of the District's intent to increase rates and why this action is necessary. An information letter will be sent to all customers the week of April 26 describing the District, how bills are calculated, and how these monies are used.

Land Purchase – purchase is still on hold awaiting completion of the landowners refinancing.

Projects Update

Bear Meadows – none

Lakeside Club – none

Cooper Farms – none

Lakeside Estates Phase 3 – currently for sale.

Blacktail Estates – none

Spurwing Creekside - Phase II – prepared a will serve letter that was sent to the DEQ. Digging is scheduled to start in August 2021.

NEW BUSINESS

Ordinance 21-1 – an ordinance to annex 293 Bierney Creek Road and 846 s. Juniper Bay Road into the District was unanimously approved.

Juniper Bay Water System – the Juniper Bay Condos are connected to the District's sewer system, but they have their own water system. They contacted the District to see if there was any interest in the District taking over their water system that consists of two (2) wells and one (1) pump house. The Board requested additional information.

A motion was made by Director Fleming to approve the bills. Director Cicon seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

Public Hearing – A public hearing is scheduled for June 15, 2021 at 6:00 pm via Zoom. This meeting will serve to inform our customers of the District's intent to increase rates and why this action is necessary. An information letter will be sent to all customers on June 2, 2021 describing the District, how bills are calculated, and how these monies are used. Announcements will be published in the Daily Interlake on May 30 and June 6, 2021.

PER/Treatment Site Capacity – In 2018 DEQ requested a Preliminary Engineering Report (PER) – leak study. The PER has been delayed due to COVID-19. Until the PER is complete, DEQ is holding us to 250 EDU. With the increase in hookups and our current contracted

reservations capacity has been exceeded. To address this issue Peccia will be asked to provide engineering input including size, location of pond, costs in today's dollars, scope of work, etc.

LS12 PER – Currently LS12 runs at 80 GPM and takes wastewater from YWAM, Creekside Phase I and Spurwing. Recommendation is to install a larger lift station, 170 to 227 GPM with larger pump and generator.

Projects Update

Bear Meadows – none

Lakeside Club – none

Cooper Farms – none

Spurwing Creekside Phase 2 – None

NEW BUSINESS

Resolution 21-1 – The resolution of intention to modify the basis on which water charges are imposed and to increase rates for the users of the water system was unanimously adopted by the LCWSD Board of Directors.

Southside Sewer Tie-In – the tie-in failed; Tanner Smith Construction was called in to make the repair.

A motion was made by Director Heim to approve the bills. Director Wadman seconded, and motion carried.

DELINQUENT REPORT: Progress continues in collecting payment from delinquent accounts.

OLD BUSINESS:

Ordinance 21-2 – an ordinance to increase the sewer base rate, usage rate, and flat rates by 5% effective August 26, 2021 was unanimously approved.

Ordinance 21-3 – an ordinance to increase the Lakeside Sewer System Development Fee and Late-Comers Fee by 5% effective August 18, 2021 was unanimously approved.

Ordinance 21-4 – an ordinance annexing 177 Marco Bay Lane into the LCWSD District was unanimously approved.

Ordinance 21-5 – an ordinance to increase the Lakeside Estates Phases 3, 4, and 5 Water System Development fee by 5% effective 8/18/21 was unanimously approved.

ARPA Funding – LCWSD's submittal for sewer funding ranked 13th and water funding ranked 123rd. The next meeting of the ARPA Advisory Commission is August 26. It was noted that more points may be awarded if an engineer is already under contract.

A motion was made by Director Wadman to request proposals from engineering firms in support of the ARPA projects. Director Fleming seconded, and the motion carried.

New Well – the 2018 deviation request to the DEQ requires LCWSD to drill a new well when the number of hookups reaches 450. At present, there are 433 connections. Therefore, bids for drilling the new well will be requested in the Spring of 2022.

Project Updates – Lakeside Club may add an additional 15 lots.

NEW BUSINESS

Lot 9 Easement – customer inquired about an easement that included an agreement to not increase sewer flat rates in perpetuity. After reviewing the easement documentation, it was determined that no such agreement existed. Board also noted that it would be against LCWSD policy to grant such an agreement.

MIOX and LS 3 Paint – contacted local paint contractors for advice on removing graffiti from the MIOX building and LS 3. Cost of painting/rehabbing the structures is estimated at \$3000.

LS 2 Pumps – one pump failed due to a seal failure. Vendor is working on getting a temporary pump installed and working. LCWSD has the option to purchase this temporary pump for \$3000 thus providing a spare pump; the board approved of the purchase.
