& CONSTRUCTION**

PROJECT INFORMATION

Construction will begin on a new wastewater (sanitary sewer) mainline extension along Angel Point Road and Political Hill Road. This **100% DEVELOPER-FUNDED PROJECT** supports long-term water quality, environmental protection, and responsible growth in the Lakeside community.

This project is fully developer-funded and does NOT impact current customer rates.

WHY THIS MATTERS

- ✓ **Protects groundwater and Flathead Lake**
- ✓ **Reduces** reliance on aging septic systems
- ✓ Minimizes risk of system failure
- ✓ Supports responsible community growth

WHAT TO EXPECT

- ✓ **Single-lane traffic** in work zones
- ✓ Possible **delays** along Angel Point & Political Hill Roads
- ✓ Daytime construction activity & noise
- ✓ Access to homes will be maintained.
